

Cine 75 HD Fluid head

Top class for the finest productions

Classic film cameras are being increasingly replaced by high definition cameras in the area of movie production. Sachtler's fluid head Cine 75 HD is ideal for both types of production. The payload range of 4 to 75 kg / 9 to 165 lb also comes with a huge selection of accessories for the various cameras used with the head. And, of course, interfaces for a Front Box and viewfinder extension are standard accessories.
