

## Reporter 250H

Battery Operated Tungsten  
Luminaire with Incomparable  
Lighting Performance

Get ready for unbeatable lighting performance – with our battery operated Reporter 250H.

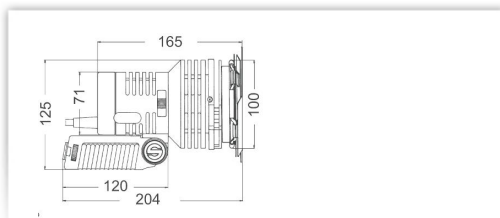

The luminaire features integrated multicoated protective glass to keep your bulbs safe, and removable 4-leaf barndoors which can be rotated.

The handle has its own integrated camera shoe and space for a spare bulb.

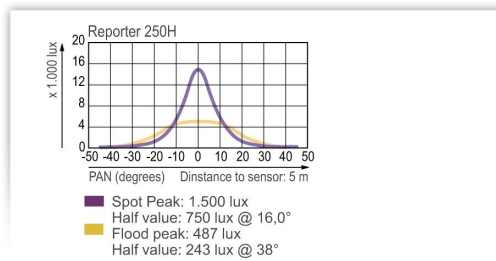

The Reporter 250H has long been the 30 V tungsten halogen light of choice. Its wide-area illumination guarantees brilliant pictures even when the daylight filter is inserted.

### Technical Facts
