

## VICTOR 300 series Laser demarcation device

|                  | VICTOR 300                                   | VICTOR 300A  | VICTOR 300B   |
|------------------|--|--|---|
| function output  | A horizontal line,A vertical line,Wall Cross | A horizontal line,two vertical line,Down to the point, Cross wall ceiling,Fine-tuning screw 90 degrees | Horizontal line,four vertical line, Cross wall ceiling,Fine-tuning screw 90 degrees |
| Accuracy         | ±1.5mm/5m                                    | ±1mm/5m  | ±1mm/10m  |
| Working distance | Diameter 30m                                 | Indoor radius 15m,Pulsed laser detector with 50 m  | Indoor radius 15m,Pulsed laser detector with 50 m                                   |
| Auto Ping Range  |  | ±2   | ±2  |
| Power            | 1.5V*2                                       | 1.5V*3   | 1.5V*3  |
|                  | Beyond the scope of laser flash alarm        |  |   |
